

PRODUCT DATA

ENZYMATIC FLOOR CLEANER

DESCRIPTION

This product is a powerful enzymatic cleaner designed for industrial and commercial applications. It is perfect for removing food splatters, greasy build up and general soil from all hard surfaces. This pleasantly scented cleaner is safe for use on all surfaces not affected by water. AllChem Enzymatic Floor Cleaner cleans and leaves a long lasting fresh scent with no residue left on the surface. This product will digest the remaining fat and grease off the floors and decreases the slip/fall incidents, also will keep the drains open and reduce the foul odours coming off of drains.

INSTRUCTIONS

For floors and kitchen, mix 4 -6 oz. of product with one gallon of water to remove oil, grease and grime.

Bathrooms and walls pour product on sponge or cloth to clean the whole bathroom, pour into bowl to clean and deodorize.

FEATURES

1. Keeps the drains open
2. Minimizes the slip/fall
3. Concentrated
4. Cuts through the soil
5. Pleasant odour
6. Biodegradable
