

PRODUCT DATA

FABRIC SOFTENER

DESCRIPTION

AllChem Fabric Softener is designed to soften and eliminate static cling from laundered fabrics. It will leave your fabrics feeling fresh and smelling clean. Laundry will have a smooth, fluffy feel right after the dryer. This product reduces the rigidity of fabrics which reduces fibre damage and can prolong fabric life as well as aid in the ironing process by reducing wrinkles.

INSTRUCTIONS

AllChem Fabric Softener is a concentrated formulation designed for use in commercial and institutional laundry operations by addition to the final rinse cycle. For best results, use with AllChem Liquid Laundry Detergent
