

PRODUCT DATA

TYRE SHINE

DESCRIPTION

This is a professional strength tyre and rubber dressing developed for automotive exteriors, rubber finishing and tyres to prevent drying and cracking while leaving a high, long lasting gloss. This dressing has been specifically formulated to provide the maximum protection from drying heat, excessive rain and other elements.

INSTRUCTIONS

AllChem Tyre Shine is Ready – to – Use. Simply spray product with trigger bottle over area to be treated and thoroughly wipe with a soft cloth to complete coverage. When gloss fades, reapply as desired.
