

PRODUCT DATA

CARPET SHAMPOO

DESCRIPTION

A pleasantly organic carpet detergent which is designed to be equally effective in hot or cold water. This product is formulated for use in standard water extraction carpet cleaning equipment. It breaks down tough dirt and grime and can also be used in truck mounted equipment. Contain complex surfactants and organic solvents which make it effective on natural and synthetic fibres. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, homes and offices.

INSTRUCTIONS

For general cleaning, use approximately 1-2 ounces per 3 gallons of water. Truck mounted systems should use 1 quart per 5 gallons holding tank. Adjust meter in accordance to desired results. Always follow manufacturer's general cleaning guidelines to retain quality of goods.

FEATURES

- Economical – high dilution
- Controlled sudsing
- Quick emulsification of dirt, grease and oil
- Prevents redeposition of soil
- Rinses freely
- Acceptable to use on 5th Generation carpets
