

PRODUCT DATA

NATURAL STONE CLEANER

DESCRIPTION

AllChem Natural Stone Cleaner is a biodegradable, water-based, non-acidic, liquid concentrate cleaner, designed to remove grease, grime, soil, dirt, soot, carbonized oil, light to medium rust and other surface contaminants from natural stone surfaces. This product is recommended for marble, limestone, granite, travertine, terrazzo, quartz and slate.

INSTRUCTIONS

Apply the concentrated solution to the floor using a brush or sprayer. Allow to remain on the surface for 5 to 15 minutes. Sponge rinse the surface thoroughly using fresh water. Product can be diluted with up to 3 parts of water for light to medium duty cleaning. For restoration cleaning use undiluted.

Limitations: Black marble is frequently dyed to even out the colour. Pre-test to be sure the dye is not removed. This product will remove waxes or other applied finishes.

FEATURES

- Will not damage glass or metal
- Odourless for interior applications
- Non-Acidic, safe on all natural surfaces

SPECIFICATIONS

Appearance:	Clear Blue Liquid	pH:	8.5-9.5
Odour:	Mild	Biodegradable:	Yes
Specific gravity:	1.076		

PACKAGING: 4 x 1 Gallon, 5 Gallon

ITEM CODE: FLO133
