

PRODUCT DATA

POWERFUL DEGREASER

DESCRIPTION

A multipurpose, heavy duty, high alkaline, butyl based cleaner and degreaser concentrate. This water-based cleaner is extremely effective in cutting grease and grime on floors, engines, appliances and painted surfaces. May also be used in automatic scrubbers and steam cleaners where high alkalinity is required.

INSTRUCTIONS

This powerful degreaser is well suited for cleaning kitchens vent hoods, floors, fixtures and ovens. Industrial cleaning of motors, compressors, engines, condenser coils and walls are cleaned easily with varying dilutions of the concentrate. It can be used on all detergent resistant surfaces such as concrete, tile, brick, ceramic, iron, porcelain, chrome, stone, rubber and all washable painted surfaces. For **heavy cleaning**, use a mixture of **12-14 ounces per gallon of water**. For **light cleaning** of painted walls, floors, equipment or bathroom fixtures use a mixture ranging from **2-10 ounces per gallon of water**. It is safe on painted surfaces at **2-4 ounces per gallon**.

FEATURES

- Concentrated: Dilute up to 1-80
- Non Flammable
- Multipurpose
- Safe on surfaces not harmed by water

SPECIFICATIONS

Appearance:	Purple Liquid	pH:	12-13
